

Teaching, Training, and Professional Development from Learning ZoneXpress

Learning ZoneXpress presenters not only “talk the talk,” but “walk the walk” with direct experience as teachers, authors, and national presenters.

Choose from several presenters, including but not limited to:

- [Susan Turgeson](#)
- [Maxine Peterson](#)
- [Angela Olson](#)
- [Mary Beth Anderson](#)

We offer training services that range from conference keynote addresses and breakout sessions to professional development training and consultation.

Choose from many topics and hands-on, interactive courses including, but not limited to:

- Family & Consumer Sciences as a Gateway to STEM
- Become a FACS "Greenie" Advocate! What You Need to Know!
- Parenting Goes Prime Time
- Play With Your Food! Teaching Math and Science Through Food Preparation
- Learning About Nutrition Through Activities: Help Children Taste, Eat, and Enjoy Fruits and Veggies
- Senior Year Strategies: Preparing Students for Post-Secondary Success
- Pursuit of Happiness: How Our Personal and Professional Happiness Influences Students
- Advocacy: Supporting FACS Programs
- Best Practice Teaching: Proven Strategies to Engage and Motivate Students to Learn
- Best Practices: Rigor, Relevance, and Relationships
- Counting on Class to Make Cents
- Read Between the Lines – Integrating Books in Your Hospitality and Tourism Classes
- Ages and Stages of Child Development
- Incorporate Nutrition Education into Physical Education
- Obesity in a Bottle: Liquid Calories
- Avoiding Portion Distortion
- And more!

For professional development training, consultation, and conference presentations, Learning ZoneXpress will listen carefully to match you with the pro who best meets your needs. We customize all training services to meet the specific needs of the audience, taking into consideration all the “who, what, when, and where’s.”
