**OWATONNA, Minn. (October 3, 2007) –**

Be amused and inspired to eat fruits and vegetables with these fun and creative posters in edible landscapes. *Foodscapes*<sup>™</sup>, a series of seven posters, is one of the newest additions to the educational products designed and distributed by Learning ZoneXpress.

“Our *Foodscapes*<sup>™</sup> posters are a unique and easy way to encourage others to seek out nutritious foods,” says Melanie Nelson, owner and founder of Learning ZoneXpress.

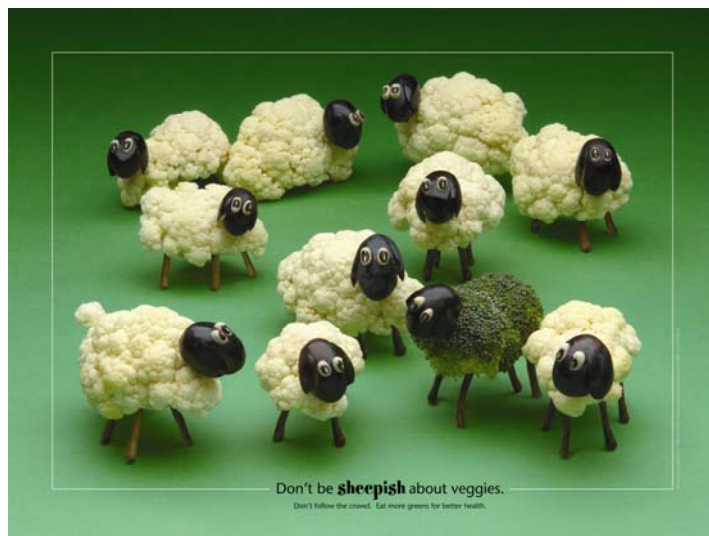

In addition to eye-catching images, each poster is equipped with a nutritious message. “Don’t follow the crowd. Eat more greens for better health,” is the message on the “Don’t be Sheepish about veggies” poster (right).

Other poster titles in the series include “Fruit with a Porpoise,” “Find a Fruit Oasis,” “Life Needs Balance,” “You Toucan Be Healthy,” “Fly High by Eating Healthy,” and “Take a Veggie Vacation.”

*Foodscapes*<sup>™</sup> are whimsical, edible characters in landscapes, seascapes, and natural scenes designed to inspire people of all ages to eat fruits and vegetables.
