

Newest Foodscapes™ Card Unveiled for the Holidays

Edible characters send a positive food message through the mail

OWATONNA, Minn. (October 4, 2007) -- Send a healthy nutrition message this holiday season with the newest addition to the Foodscapes™ line - the Holiday Greeting Cards. Created by Learning ZoneXpress, a national distributor of educational products, the holiday greeting card is an easy way to encourage others to seek out festive fruits and vegetable snacks rather than treats high in fat and sugar.

Foodscapes™ are whimsical, edible characters in landscapes, seascapes, and natural scenes designed to inspire people of all ages to eat fruits and vegetables.

The Foodscapes™ Holiday Greeting Cards are offered in packs of six cards and envelopes of the same design for \$9.95. The size is 4 5/8” x 6 1/4”.
