

Telly Awards for Three Nutrition Education Videos From School FoodserviceXpress and LearningZoneXpress

Appropriately for National Nutrition Month, they win a Silver and two Bronze Telly Awards for their Smart Nutrition, Nutrition Controversies and Fast Food Nutrition DVDs

MINNEAPOLIS—March 22, 2010([BUSINESS WIRE](#))--[Nutrition education](#) is a difficult task considering the unhealthy food commercials bombarding families through television, billboards, radio, and the Internet every day. So winning three Telly Awards for nutrition education videos during National Nutrition Month means a great deal to School FoodserviceXpress and Learning ZoneXpress.

“Our nutrition education DVDs are our second most popular nutrition products, led only by sales of our food pyramid posters”

“Our [nutrition education DVDs](#) are our second most popular nutrition products, led only by sales of our food pyramid posters,” said founder Melanie Nelson. “They were developed to help both teachers and school food service professionals make a real impact on the children that attend their schools.”

School foodservice professionals are at the forefront of the fight to end childhood obesity and these nutrition education videos can really be a positive aid and visual reinforcement to their other efforts. If any school food professional would like to learn more about these nutrition education aids, they should visit [School FoodserviceXpress.com](#).

About School FoodserviceXpress: [School FoodserviceXpress](#) is a division of [Learning ZoneXpress](#), the leader in educational tools for health and nutrition. They design, create and deliver innovative teaching products on topics including nutrition education, child development, family living, character education, careers, financial

management and other life skills. The School FoodserviceXpress division was created as a service to schools to bring relevant nutrition and marketing products directly to school foodservice professionals as aids in boosting cafeteria participation. Products include [posters](#), [DVDs](#), [bookmarks](#), [stickers](#), [temporary tattoos](#), [bulletin board kits](#) and [static clings](#).
