## Teachers Key

### Review

---

**Directions:** After watching “Look...a Babysitter,” answer the following questions.

1. Name five types of information you should know before accepting a babysitting job.  
**Number of children, ages of children, where parents are going and when they will be home, bedtimes, foods, medicines needed, personal habits, backup phone numbers, agree on rate/payment method.**
2. Name two things you should not do when babysitting.  
**Never leave toddlers alone, do not talk on the phone with friends, stay off the computer, never open door for strangers.**
3. What are three tips for dealing with children?  
**Use positives – do not use “don’ts”, give choices, use encouragement, set limits, use humor, give warning about transitions.**
4. What should you do if the phone rings when the parents are not home?  
**Do not tell anyone the parents are gone, take a message**
5. What are two things you should do after changing a diaper?  
**Dispose of diaper properly, wash hands.**
6. How often should you check on sleeping children?  
**Every 15 minutes.**
7. What time should you arrive at your babysitting job?  
**15 minutes before hand.**
8. Name two factors that determine the rate of pay to charge for a babysitting job?  
**Size of town, number of children, your years of experience, what parents are willing to pay.**
