Hour: _____

TEACHER'S KEY

1. Who is the most victimized population in the US?

Teenage girls

2. What shouldn't you say when someone you don't know comes to your door when you're home alone?

You shouldn't say that your parents aren't home – say instead that they are not available

3. Why should you answer the phone when babysitting?

You should answer the phone when babysitting because the kids may tell whoever is on the phone that the parents aren't home

4. What are some prevention tips when you are alone outside?

- *Be aware – keep your eyes and ears open*
- *Watch for red flags – someone who grabs or pushes you, a blocked path, staring/sitting close/speaking to you*
- *Trust intuition and respond*
- *Program the police into speed dial on your cell phone*
- *Make some noise*
- *Toss valuables and run*

5. Stranger kidnapping:

74 % of children dead within 3 hours.

56 % are recovered alive.

40 % are killed.

4 % are never found.

6. Most often abductors use words , not weapons .

7. When you are out driving, what are some tips to keep you safe?
 - *Keep your gas tank half full*
 - *Lock doors and keep your windows 2/3 up*
 - *Wait for friends to get inside when you drop them off*
 - *Keep your windows up and doors locked when parked*
 - *Park near a door or under a light*

8. What can you do if you are put in the trunk of your car by an abductor?
 - *Install a trunk release*
 - *Keep a spare remote key with a trunk release inside your trunk*
 - *Keep a flash light and a crowbar in your truck to knock out your taillights to get someone's attention*

9. What can you do if an abductor tries to put you in their car?
 - *Hold on to something like a shopping cart or a bike*
 - *Scream, kick, and yell*

10. What are some red flags for online predators?
 - *Asks you personal questions*
 - *Wants to meet you in person*
 - *Has too good to be true offers*
